Charming single-family home located in Walnut Creek's idyllic Walden neighborhood. This lovely Iron Horse Regional Trailside home sits on a large, flat lot. Move-in ready, the interior of this home is freshly painted and features new carpeting throughout. Indoor/outdoor living at its best with French doors to access the backyard. Enjoy your morning coffee at the breakfast bar or dine in the area off of the kitchen. The master bedroom and bathroom are on the first floor. Two additional bedrooms and a second bath are on the second floor. The upper rear bedroom enjoys a private deck overlooking the landscaped yard. The expansive backyard includes an in-ground pool plus an outdoor kitchen with BBQ and wet bar, perfect for entertaining on warm days! The airconditioned pool house could double as an office. Two additional outbuildings for storage or bonus living space. Mt. Diablo school district. A short stroll to BART, shops, and restaurants. Easy access to 680 for a quick commute.
